SUB : REFERENCE LETTER

To Whom It May Concern:

This letter serves as confirm that Izosha Creations successfully carried out work as subcontractor to AC&S Distributors & Mining Supplies. The work carried out by Izosha Creations included estimation, design, supervision and construction of a number of civil infrastructures. Providing us an end-to-end solution we were happy to put our name on as a company. In all cases the clients were completely satisfied and continue to rely on our company for any other related work. Izosha Creations also proved effective in ensuring funding and cash flow was always adequate to the completion of assigned tasks.

Below is a list of the projects completed by Izosha Creations as our sub-contractor:

- Concrete foundation x20 units for lighting masts
- Crusher stone walkway
- Concrete Slab
- Truck Tarpaulin Covering Civils – Plinths for steel structure

We welcome being contacted to confirm the above and provide further details.

Kind Regards,
